Date: 04/08/2023

Dear Parent,

Greetings from Carmel Academy

We are glad to inform you that coaching classes for Swimming will be available at the school Premises from 3.30p.m to 4:30 p.m. Monday to Friday. The coaching sessions will be conducted by Sastha Pools Swimming Academy, an established organization since 2008, involved in providing international standards of professional coaching for Swimming. This Academy is being maintained and progressed by former National Swimming Team member and Present CISCE-National Swimming Coach Mr. Ratheesh Raveendran. The Coaches are well versed in sharing basic and professional training advice to the students during the sessions.

As this opportunity is exclusive for the students of Carmel Academy, we have an in house heated Swimming pool facility which will suffice the needs of our students. We request parents to send a confirmation via diary note, if you are interested in taking up the coaching sessions for your ward after school (3.30 pm to 4.30pm).

Please make a note of the following details pertaining to the swimming sessions:

- Coaching sessions will be conducted at 3.30pm to 4.30p.m - Monday to Friday.
- Transport (drop) will not be available during the coaching days. Parents should pick your ward after the coaching sessions (4:30 p.m.)
