Circular Regarding Blue Day Celebration Pre-Primary

Date: 16-10-23

Dear Parents,

Greetings from Carmel Academy,

Blue symbolizes trust, loyalty, and confidence.

In continuation with our endeavor to make our little ones aware of the importance of colors our Pre-Primary sections will be celebrating

"BLUE DAY" on 20th October 2023.

To emphasize the importance of blue color, our pre-primary facilitators have planned class activities for all the levels.

Please note:

- All the pre-primary children need to come dressed in **Blue color attire.**
- Parents are requested to send **any Blue color object.** Kindly label the object with your child's name and class.

We are looking forward to seeing our tiny tots enjoy the magic of the color blue.

Learning outcome:

- **Getting familiar with the color blue.**
- **Developing cognitive, fine motor and gross motor skills.**
- **Visual learning.**

Warm regards,

Principal
